## PROFILE

---

I'm a proactive student at Belgium Campus ITiversity in Pretoria with a strong academic achievement experience. Currently I'm pursuing several courses that are related and the main course being the I.T course. I possess strong thinking and Mathematics skills with fluency in English and Zulu. I am keen to pursue a career in the digital industry. I have already started on this journey. You can have a look at my [website portfolio](#) I've developed, to showcase my skills and previous practical work.
